ALL PRAISES DUE TO ALLAH

In the Name of Allah the Supreme Being, the True and living God the King of Kings, the Lord of Lords the Creator of the Universe, the Master of the day of Judgement, One to whom all praises are due to forever and Hereafter, and in mine, do I greet you my beloved Brothers and Sisters in the highest order of the Universe which is PEACE, LOVE and HAPPINESS.

I hope this issue of the Sun Of Man will find all of you as well as your Loved ones in the best of Health as for self I'm doing fine and remain on chill!

Now moving right along, I would like to take this opportunity to adress a subject which every few years tries to slide itself in among the teachings of the righteous from one source or another and without fail. While the subject and the main theme of this issue may seem to be cool or even cold in regards to the role that the woman plays in it, It is not ment to offend or anger any woman of the righteous influence, for whom I have the utmost love and respect, on the contrary it is designed to fortify the relationship of the Original Black family, while at the same time deliver a better understanding to the young young in regards to the Original teachings of Almighty God Allah concerning the subject which is Marriage under the government as well as the main theme which is,,,

NO WOMAN!            NO CRY!!!

or

LOVE HAS EVERYTHING TO DO WITH IT!!

Our Father taught us that not only should we teach and educate our women, we should treat them right, to love them, respect them and protect them, even pamper them when possible, However that we should always stand fast as Lord and Master of that Universe, and for no reason I repeat for no reason should the righteous get married under the laws of this government, he made it very clear that to do so was wrong and if you did not only were you falling a victim to the teachings of the Euro-American governments, you are falling a victim to the teachings of the Euro-American woman.

The first law of the Universe is Be fruitful and multiply, the first law given to Mankind was Be fruitful and multiply, the First law of nature is be fruitful and multiply even the Birds and the Bees know that, some will say it's self preservation! to them I say what greater self preservation is there then SELF CREATION?

From ADAM to NOAH to ABRAHAM to LOTT to YACOB to MUSA to JESUS to MUHAMMAD to ELIJAH to THE FIVE PERCENT NATION, the first commandment from Allah has always been the same TO REPLENISH THE EARTH!!! which means BE FRUITFUL AND MULTIPLY! weather it takes you 1 wife or 100 wives, 1 relationship or 100 relationships thats up to you, however the laws of Allah remains the laws of the Universe.

NO GREATER MARRIAGE

My beloved Brothers and Sisters Almighty God Allah taught me that there is No Greater Marriage in the Eyes of Allah then one where the Brother and Sister or Sisters whichever, are pure, righteous, honest sincere and devoted in their love for each other, their Universe (family) and their Nation, thats a marriage that is in harmony with the will of ALLAH.

A blind man should be able to see that if it takes a 2 dollar piece of paper to prove your love and hold your marriage together, It's not very strong from the start, thats a weak love. It also places a un-alike authority over you and your Universe, when you submit to that authority you are giving them your word that you will live by the rules and regulations of that authority, which in this country is one that has always been more favorable to women then men, surely the God of the Universe should know weather or not his marriage is right or wrong, or when it should be ended, without the help of the police dept. and the divorce courts, to tell you it's over, Having a people who don't know you from ADAM, sitting in judgement over you and your Universe is not only degrading, It's an insult to the intelligence of the Original Man. In a society where some people get married for 2dollars and end up paying 2 million to get their divorce, divorces tend to make lawyers richer while increasing the hatred between the husband and wife, who might have in time decided to resolve their own problems, if not for the bitter battles that take place in the court rooms, which is often worse then the original reason for divorce. now we all know some marriages do work out, however they are the exceptions, in America over half of all marriages end in divorce, that alone is proof that the system isn't working.

( This artical will be continued in the 8 point Q2 issue, So until our minds meet again, PEACE! and keep your eyes open for them serpents bearing little green apples! )

A WORD TO THE WISE

WOMAN

WAS CREATED FROM THE RIB OF MAN... SHE WAS NOT MADE FROM HIS HEAD

TO TOP HIM OR PLAY WITH HIS MIND

NOR FROM HIS FEET

TO BE TRAMPLED ON OR ABUSED.

SHE WAS MADE FROM HIS SIDE.....

TO BE HIS COMPANION, AND STAY BY HIS SIDE

FROM UNDER HIS ARM.....

TO BE EMBRASSED AND PROTECTED BY HIM

FROM UNDER HIS HEART .....

TO BE LOVED BY HIM!!!!!!!!!!!!!!

PEACE LOVE AND HAPPINESS
